UK CAUTION! Installation and maintenance procedures must be carried out only after switching off the electricity supply. Use energy saving lamps only. Fit properly the gasket inside the diffuser, to ensure the IP protection. NOVOLUX accepts no responsibility whatsoever for damages caused by incorrect installation, misuse or when used by combining it with spare parts not belonging to the products. If in doubt, consult a qualified electrician. Keep the instructions.

I ATTENZIONE! L'installazione e la manutenzione dell'apparecchio devono essere eseguite solo dopo aver disinserito l'energia elettrica. Utilizzare solo lampade a basso consumo. Assicurarsi del corretto posizionamento della guarnizione all'interno del diffusore al fine di garantire il grado di protezione IP. NOVOLUX non accetta responsabilità per danni causati da incorretta installazione, incorretto uso o dall'utilizzo di parti di ricambio che non appartengono al prodotto originale. Per qualsiasi dubbio, consultare un elettricista qualificato. Conservare le istruzioni.

F ATTENTION! Les opérations de montage et d'entretien ne doivent être effectuées que lorsque le courant électrique est coupé. Utiliser seulement des ampoules à économie d'énergie. Assurer le positionnement correct de le joint dans le diffuseur, afin de garantir le degré de protection IP. NOVOLUX n'accepte pas aucun responsabilité pour toutes les dommages causés par une mauvaise installation, par un' utilisation incorrecte or par l'utilisation des pièces de rechange qui ne sont pas originales. En cas de doutes, faites appel à un électricien qualifié. Conserver les instructions.

E PRECAUCIÓN! Lleve a cabo la instalación y mantenimiento tras cortar la tensión de la instalación eléctrica. Use únicamente lámparas de ahorro. Ajuste correctamente el aro con el difusor para asegurar la protección IP indicada en el producto. En cualquier caso NOVOLUX no aceptará responsabilidad alguna por instalación incorrecta, mal uso o por su uso con accesorios no originales del fabricante. En caso de duda consulte con un electricista cualificado. Guarde estas instrucciones.
