

# Milky Filament

C35, E14, 4.5W, 2700K, 470lm, 104lm/W, BA360, RA80, Dim, Class F, SDCM<6, 15000H

ID: 0019590111

GTIN: 7630268419783

2 YEARS \*  
WARRANTY

## Technical Data

|                                                               |                     |
|---------------------------------------------------------------|---------------------|
| Luminous flux:                                                | 470...470 lm        |
| Colour temperature:                                           | 2700...2700 K       |
| Colour rendering index CRI:                                   | 80-89               |
| Colour consistency (McAdam ellipse):                          | SDCM6               |
| Colour of light according to EN 12464-1:                      | Warm white < 3300 K |
| Beam angle:                                                   | 360...360 °         |
| Lamp efficacy:                                                | 104 lm/W            |
| Lamp shape:                                                   | Candle              |
| Filament lamp:                                                | yes                 |
| Lamp power:                                                   | 4.5...4.5 W         |
| Power factor:                                                 | 0.7                 |
| Nominal voltage:                                              | 220...240 V         |
| Nominal current:                                              | 25...26 mA          |
| Voltage type:                                                 | AC                  |
| Energy efficiency class according to EU regulation 2019/2015: | F                   |
| Weighted energy consumption in 1000 hours:                    | 4.5 kWh             |
| Average nominal lifetime:                                     | 15000 h             |
| Photobiological safety according to EN 62471:                 | RG0                 |
| Min. number of switching cycles:                              | 20000               |
| Socket:                                                       | E14                 |
| Lamp designation:                                             | B35                 |
| Type of glass/cover:                                          | Opal                |
| Housing colour:                                               | White               |
| Diameter:                                                     | 35 mm               |
| Length:                                                       | 97 mm               |
| Suitable for electronic ballast:                              | no                  |
| Suitable for magnetic ballast:                                | no                  |
| Rated luminous flux according to IEC 62612:                   | 470 lm              |
| Colour:                                                       | White               |
| Dimming phase cut-off (trailing edge):                        | no                  |
| Dimming phase cut-on (leading edge):                          | no                  |
| Dimming Touch and Dim:                                        | yes                 |
| Dimming Zigbee:                                               | no                  |
| Dimming Bluetooth:                                            | no                  |
