INSTALLATION

1

(Fig. 1)

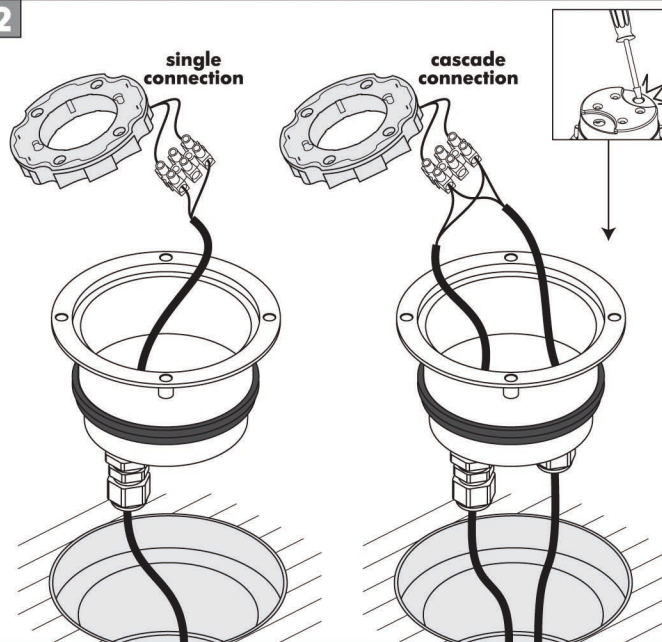

UK To ensure good drainage and to avoid water stagnation, provide a 30 cm draining gravel layer or a draining pipe system. **Caution! Do not install the luminaire on hollow areas or on water stagnation areas** (Fig. 1).

I Per garantire un buon drenaggio ed evitare il ristagno di acqua, predisporre un fondo di ghiaia drenante di circa 30 cm o un sistema di drenaggio con tubature di scarico. **Attenzione! Non installare in avvallamenti o in zone di ristagno** (Fig. 1).

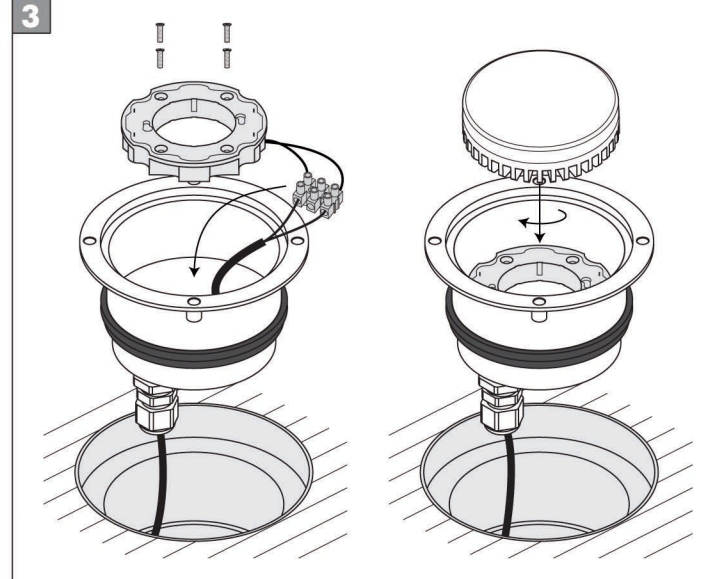

F Pour un bon drainage et pour éviter que l'eau stagne, prédisposez une couche de gravier de 30 cm or un système avec tuyaux d'écoulement. **Attention! Afin d'éviter que l'eau stagne, placez la boîte sur une surface plane et non creuse** (Fig. 1).

E Para garantizar un drenaje eficaz y para evitar la acumulación de agua, poner una arena de grava de 30 cm o un sistema de tuberías de drenaje. **Precaución! Evitar la instalación en depresiones del terreno o en puntos de acumulación de agua** (Fig. 1).

WARRANTY:
The warranty of **Novolux** product is of 1 year. In case of clear manufacturing faults of an item, the company Fumagalli on his unquestionable judgement will proceed to the fixation or the replacement of the same. In no cases the purchaser will have the right to claim for reimbursements or costs involved with the installation, uninstallation, transport or dismantlement of the material.

GARANZIA:
I prodotti **Novolux** godono di una garanzia di legge di 1 anno. Nel caso di evidenti difetti di fabbricazione di un articolo, la ditta Fumagalli procederà, a suo insindacabile giudizio, alla sua riparazione o sostituzione. In nessun caso l'acquirente potrà reclamare rimborsi o spese sostenute per l'installazione, la disinstallazione, il trasporto o lo smaltimento del materiale.

- UK CAUTION!** Installation and maintenance procedures must be carried out by a qualified electrician after switching off the electricity supply. **Novolux** company accepts no responsibility for damages caused by incorrect installation, misuse or when used by combining it with spare parts not belonging to the product. Keep the instructions.
- I ATTENZIONE!** L'installazione e la manutenzione dell'apparecchio devono essere eseguite da un elettricista qualificato solo dopo aver disinserito l'energia elettrica. La ditta **Novolux** non accetta responsabilità per danni causati da incorretta installazione, incorretto uso o dall'utilizzo di parti di ricambio non originali. Conservare le istruzioni.
- F ATTENTION!** Les opérations de montage et d'entretien ne doivent être effectués que par un électricien qualifié lorsque le courant électrique est coupé. La société **Novolux** n'accepte pas aucun responsabilité pour toutes les dommages causés par une mauvaise installation, par un 'utilisation incorrecte or par l'utilisation des pièces pas originales. Conserver les instructions.
- E PRECAUCIÓN!** La instalación y el mantenimiento deben ser cumplidos por un electricista cualificado despues de desconectar la tensión eléctrica.
En cualquier caso **Novolux** non aceptará responsabilidad alguna por instalación incorrecta, mal uso o por su uso con accesorios no originales. Guarde estas instrucciones.
